If you would like to order a bench but pay with a credit card, please visit our website:

Tables and benches can have an inscription if desired, although not required. Inscriptions should be in the spirit of Will Rogers – either one of his quotes or something relating to nature, the park, etc. As the ranch is already a memorial to Will Rogers, we can accept benches “in honor of” only.

Please print how the inscription should appear below. All inscriptions are done in uppercase 2-inch lettering (see attached example).

- Table inscriptions will be placed on the crossbars at each end of the table – each crossbar can fit a 25-character inscription (including punctuation but not spaces – text can be duplicated on each crossbar or you can have it say different things on each side).
- Bench inscriptions will be on the front of the seatback in two lines – **each line can have 37 characters** (including punctuation but not spaces).
- All inscriptions will need approval by the WRRF and the Sector Superintendent of CA State Parks.

Once ordered, the items will be delivered in 60 – 120 days to the park. You will be notified when the item arrives and is placed in the park.

I recognize that the Will Rogers Ranch Foundation and the Department of Parks and Recreation cannot be held responsible for vandalism, maintenance, repair, or loss of the table/bench or its inscription. I further understand that the benches are not fixed in place and will be placed at the discretion of the Sector Superintendent.
